Recruiting and Placing Five-Star Talent in Five-Star Businesses!

HB Staffing Convention/Conference and Special Event Temporaries

HB Staffing Special Events Division focuses on the staffing needs of the meeting and convention industry. We support meeting planners, corporate, association and organization clients who've chosen the Long Beach, Newport Beach, Huntington Beach, or Orange County, California as their meeting destination -- providing professional and versatile temporary convention staff.

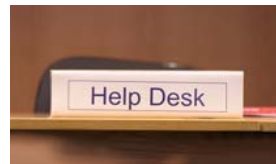

Our success in managing the temporary staffing requirements for hotel, organization and resort clients is based upon our professional commitment to recruiting for/managing the specialized staffing needs of clients who demand the best "front line" staffing support.

We know that the men and women whom we place with our conference clients represent *them* and can make just enough of difference to open, or ... close the door of opportunity for our clients. So we place our Five Star clerical or marketing field associates with your success in mind!

Our clients continually comment on the unusually high quality and professionalism of our staff – a quality they say they don't find in other meeting and convention cities.

We hope to be part of your success with your next meeting or convention in Southern California!

Division of HB Staffing Group

Five-Star Testimonial:

"I just wanted to let you know how completely satisfied we were with who you sent us to assist in our conference. They were professional, arrived early every day and all had a can-do attitude.

My boss asked me how I picked you ... my response: I spoke to four different agencies and my deciding factor was the questions that you asked me. My hats off to you – you provided me with the confidence that you understood what I was looking for and that is exactly what you provided." LBoyd, Manager Communication/Events, HR Planning Society

HB Staffing Special Events Division Advantages

As recruiting experts, we recruit and place select five-star candidates who will shine! We administer their payroll, personnel records and garnishments; collect and pay payroll taxes, unemployment and workers' comp; provide liability, errors & omissions and bonding insurances; plus write weekly payroll checks.

We Recruit, Train, Check and Certify "Ready for Primetime!"

When considering HB Special Events associates for work we focus on their overall character and interpersonal skills. Our orientation and training processes then focus on preparing associates to meet or exceed our client's professional requirements.

Five Keys to Success:

- Attitude
- Appearance
- Aptitude
- Attendance
- Adherence to company rules and policies
